## WITH LOVE

We hope that you don't need to work during your holidays, but if you do, you can handle your business with ease in the Co-Working room. Large tables and charging stations are at your disposal.

If you meet a new friend (or the love of your life) on your adventures, they are welcome to join you while you chill at the hotel – just please keep safe and keep our guidelines in mind. We're not a party hotel, but your friends are our friends.

The same goes for pool parties – we don't mind, as long as our fellow guests and DJ's are happy.

For all your holiday essentials, visit our Cook's Club Adakoy SHOP.

Our GELATERIA Ice-Cream Shop is serving delicious ice-cream and sundaes at special prices all day long.

Don't forget to ask about our spontaneous MOVIE NIGHTS under the stars at the beach.

Sunbeds are free to use, but please don't spoil it for everyone by getting up extra early to reserve your spot – towels will be removed if beds are left alone.

And, please, don't consume any food or drinks from outside the hotel at the pool.

Every room has a safe. Please put valuables in them as you are liable for any loss for items lying around in rooms or in public areas of the hotel.
